PRESIDENT'S REPORT

Ralph Czabayski (Jnr)

Club President

Dear Members,

This is the last edition of the pointer for 2016/2017 fishing season.

The club had the AGM this year on the 19th of July 2017 and the old committee stood down and the new committee was elected. I would like to thank the past committee for their efforts and support throughout the year.

I would also like to welcome the new committee and look forward to working with you all for season 2017/2018. I would also like to thank our sponsors and advertisers for their generosity in supporting the club for the last year. I would also like to mention and say thanks to:

Platinum sponsor – Trader & Strictly Business Boat Charters

Gold Sponsor – Star Electrical

Gold Sponsor – St Louis Age Care

Silver Sponsor – Bianco Precast

We have just had our end of year dinner and trophy presentation at the Grange Golf Club. It is the second year that we have held this event at the Grange Golf Club and once again what a great night it was. The food was amazing and the staff were excellent. We had approximately 50-60 people attend. A little down from last year but we lost some people attending due to the Port Power pre final game. I would like to congratulate all the trophy winners. In both sections champion angler and champion boat were taken out. In the under 25's Mick's Winch was champion boat and Mick Dawe was champion angler. In the over 25's Spartacus was champion boat and Dale Smith was champion angler. Congratulations also to Craig Dade with that great capture of the 100kg plus Southern Bluefin Tuna. Also congratulations to Lee Van Soest for taking out champion angler. She also took out highest point scoring angler for the under 25's and the land based section. Congratulations to Ashley North for taking out highest point scoring angler and tagging points for the over 25 section. Congratulations to everyone who won a trophy. Well done.!

What a great season it was and let's look forward to the new fishing season. We have already had a few recordings come into Ashley our weight recorder.

The next events coming up in the calendar are the two Christmas shows. One will be held at the Royal Yacht Squadron and the other will be held in Pt Lincoln. I look forward to seeing everyone at these events, make sure you set the dates aside and check your calendar as we also have a cockle day coming up as well as a bowling night.

The club is in good shape financially and has no debts apart from daily bills.

A reminder if anyone is interested in taking out any advertising in the newsletter or becoming a sponsor of the club please contact myself on 0419 834 540 or Alex on 8266 7703. In the event you need anything done around home or office look at supporting our advertisers and sponsors by giving them your business.

Enjoy this next edition of the pointer and try to remember to support any aspect of our great club. In addition, if you have any pictures or stories you would like to share, email our editor Lee Van Soest, leevan-soest@bigpond.com with your input.

Tight Lines and Happy Fishing, Ralph Czabayski: President

WEIGHT RECORDER'S REPORT

Wayne Greenshields

Club Secretary

Responsible for Club Admin

Ashley North

Weight Recorder

Hi All

This report is quite short as we are at the beginning of a new season

We would like to congratulate all the winners from the 2016 - 2017 season and the Presentation Awards was an awesome night. It was great to see everyone attended.

Please have a look through all the results and winners from the season listed in this issue.

We hope to see some good recordings coming in as this weather starts getting better and we all start getting out on the water more.

Also this will be my last report as Ashley North will take over the role as Weight Recorder. I'm sure he will do a great job as he has been helping me out at the end of last season. It's great seeing our members taking on new roles within the Committee. I will be stepping into Rolfs shoes taking over as Secretary. Hopefully I can keep up the excellent work he has done in this role for many years!

Cheers Wayne and Ash

TREASURER'S REPORT

All members - GFCSA

Financial Overview of Club

Steve White

Club Treasurer

The Club continues to be in excellent financial shape. Other than day to day running costs, the Club has no financial liabilities.

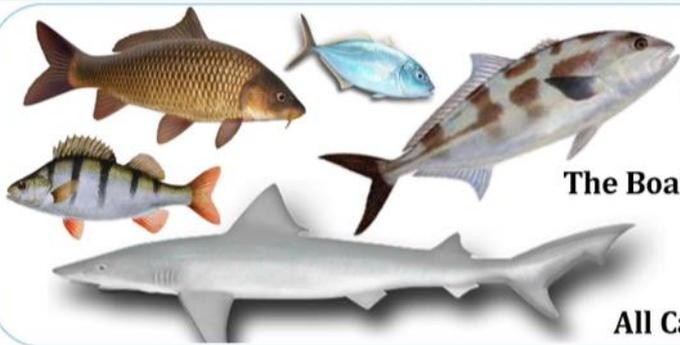

Year to date receipts total more than \$17,000 at the end of August 2017 mainly from Membership Fees and the Marina Berth rent. Expenses for the same period total over \$8,000 leaving a healthy surplus of over \$9,000.

Outstanding membership dues totalling about \$4,000 will be pursued over the coming weeks. In addition, the Club will soon send out advertising and sponsorship invoices for The Pointer and for tournament shirt sleeves. Work has commenced on the new clubrooms and this will shortly impact the financials.

Detailed Club financial information may be obtained by contacting the Club Secretary Rolf Czabayski or myself.

Stephen White Treasurer GFCSA

GFCSA MEMBERS

Any GFCSA Club Member with a Trailer Boat wishing to use the excellent and secure Boat Ramp facilities at RSAYS can do so by obtaining the necessary passes & permits from the RSAYS reception Office during business hours, for the cost of only \$321.00 per year. You must present your current GFCSA membership card to do so, front gate access keys can also be obtained at the same time for \$25.00 per year, this along with your Launch permit will give you and your vehicles full 24/7 access to the boat ramp and facilities within the club grounds.

"Well worth the cost, just for the added security of knowing your gear is safe & cheap when you consider the alternatives and costs of using public boat ramps with on security especially if you use your boat on a regular basis.

Galaxy Star is on a Mission

Can we catch Tuna in the winter?
 Portland and Port McDonnell
 both have a winter Tuna fishery.

Big barrels 100kg sounds good

But along way from Adelaide. Robe is our chosen destination. Good marina and shelf only 28 miles offshore. We check Fish Track and hot water currents were running along the shelf. 12 degrees inshore and 16 outside, with a break in the weather and the promise of 10 knot winds for a few days we decided to give it a go.

We had a plan! Rolf is keen, excited even.

Leaving Adelaide at 6 pm we were anchored in Antichamber bay by 10am. It's beautiful and calm, at 4.30am we are up and off to Robe. We pass one of our Naval Frigates on sea trials looks impressive. 30ml out of Robe and along the 50 metre line we put the lures in. We are after a 100 kg barrel!

After 4 hrs of trolling nothing. We he'd in to Robe marina.

We will have another go tomorrow.

We all enjoyed one of Rolfs beautiful Spag bolognaise. And the excellent facilities at the Marina. Lots of pro berths and council berths for visitors.

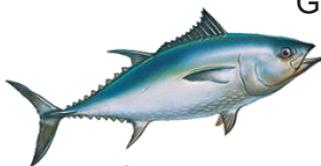

In the morning winds are still 10 knots as forecast, and the plan is to head out to deeper water near the shelf where the temperature is 16 degrees at 30 meters. We see bait fish on the sounder but no Tuna. Reaching 100 meters and 16 degrees we see our first Turns flying up high having a look at our lures.

This is a good sign!

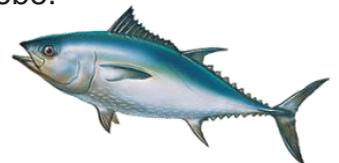

Then the action starts.

21 Tuna later we knew we had made the right decision. and our plan had worked. No big barrels, but lots of fish 9 to 12 kg. We never made it deeper than the 100 meter line so the hope is - the big barrels might be further out. A report comes in of a 101kg Tuna caught by Extreme charters at Pt Mac. Galaxy Star is staying in Robe for a while so maybe the big prize next trip.

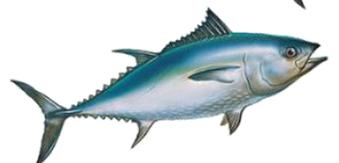

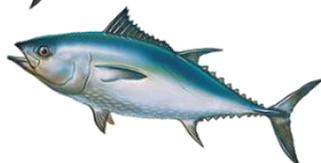

Great potential in Robe.

Port Lincoln Trip With Spartacus - May 2017

By Ben Bithell

This trip came about by a late minute discussion, but at the start of the week, the flights had been booked and we were getting ready for a weekend away with the boys! Dale, Northy and myself arrived on the Thursday evening and our first stop off was the bottle-o as we bought them out of Johnnie Walker, Bacardi and Super Dry. We headed down to the marina to prepare Spartacus ready for a rock star entrance from the man himself Ralph followed closely in tow by Ben G. There was excitement in the air on Friday morning as we did our final food shop and started our trek. Heading out into Boston bay, Spartacus had *AC/DC Back in Black* blaring from the top deck letting everybody know we were in town.

Our first day produced 34 SBF tuna, putting a nice gap in the yearly 25+ ft leader board between Spartacus and Broadbill. The conversations on the phone between Senior and Junior Czabayski could have been mistaken for a war time conversation with both parties speaking in code, Ralph trying not giving up too much information to Rolf!

On day two, the crew met over crumpets, all kept to a strict 2 crumpet ration to ensure our supply lasted, and decided to go on an adventure to new waters to see if the grass is really greener. Unfortunately the weather blew up with a 25kt westerly which hampered our efforts. We took refuge in a new anchorage which will now be known as **Eagle Ray Bay**. *With 3 out of the 4 criteria already met for champion angler and champion boat, here enters Dale Smith. Dale's first hook up was on 10kg line class, but had the telling signs of a black ray. After 45 minutes of fighting, an executive decision was made to cut our losses and reload.*

Dale changed to an 8kg outfit and within 5 minutes of baiting and setting the hook, we had a hook up. The fierce runs taken in the first 5 minutes was obvious that Dale had finally hooked what we had been seeking. After a short 20 minute fight in the rain we had landed an eagle ray. We all ran around frantically to weigh the ray, but to all our disappointment it fell short. 13.1kg. The tide was now nearing the bottom so we quickly baited up again. 3 minutes after, Dale had another hook up! The crew were on edge, *"It's the same ray, surely it can't be another?"* This ray was putting up a Herculean effort, taking 4-5 blistering runs, but after 35 minutes, we had landed it. Another Eagle Ray, but this one was bigger. We set up the scales, with the silence almost deafening as we waited for the scale to settle. 17.2kg, Dale had done it! The cheers were loud and there were high fives all around. This was my highlight of the weekend.

On the final day, the weather had given us some relief and we were able to start heading back towards Lincoln. A couple of hours into the trip, we came across massive bait balls and birds smashing the surface everywhere we looked. For a good two hours, we had multiple 4 people hook ups, with the crew ducking and weaving around each other to chase their fish. This turned out to be our highest points scoring day, landing 40+ fish. Ben Gerrits had a slow start to the day but got his groove back late to land a good number of fish and the biggest of the trip.

After cleaning Spartacus from top to bottom, we concluded our trip at the trusty Marina Hotel. The food prepared by Marty and his team was second to none as always. The trip ended in usual fashion with Ralph setting fire to another table with flaming Sambuca shots and Northy pumping his hard earned on max spins through Shogun. I had a great trip personally, taking part in my first proper fish as a part of the GFCSA and can't wait until the next adventure.

IGFA UPDATE

Rolf Czabayski (Snr)

IGFA Representative

IGFA CHANGES TO ANGLING RULES

The IGFA's Board of Trustees recently met for their annual meeting where they ratified several significant changes to the IGFA's International Angling Rules and World Record Requirements.

Assisting The Angler

Current IGFA International Angling Rules state that "the act of a person other than the angler touching the rod, reel, or line either bodily or with a device once the fish strikes or takes the bait constitutes a disqualification. However, nowhere in the IGFA rules do we discuss the legality of another person touching or making contact with the angler. The IGFA is frequently questioned on the legality of touching the angler while they are fighting the fish.

In order to clarify this important subject, the IGFA will be adding the following language to the Section 3 of **Disqualifying Acts**: "Holding or touching an angler in a manner that assists them in fighting the fish or taking pressure of the angler. Touching or briefly holding the angler to prevent them from falling does not constitute a disqualification". This Change is effective April 1st 2017

Backing and Top-Shot

Current IGFA International Angling Rules state: "If the fishing line is attached to backing, the catch shall be classified under the heavier of the lines".

This rule has long been contested in cases where the main line or Top Shot is lighter than the underlying backing, as logic dictates that the lighter line will break before the heavier backing. This is also contrary to IGFA Angling Rules for Fly Fishing where the catch is categorized based on the breaking strength of the class tippet, which must be a minimum of 15 inches.

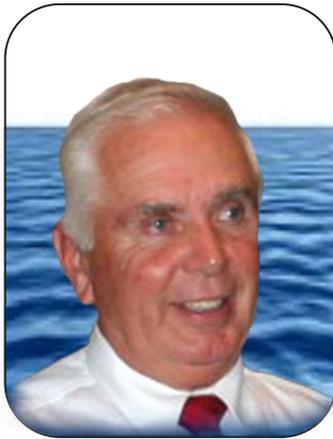

To address this issue, IGFA will be making the following alterations to **Equipment Regulation A**:

Title change from "LINE" to "LINE & BACKING"

Adding a new subsection that reads: "3. The use of backing is permissible"

Adding a new subsection that reads: "4. The catch shall be classified under the breaking strength of the first 16.5 feet (5 meters) of line directly preceding the tippet, leader or hook. This section must be comprised of a single, homogenous piece of line"

IGFA UPDATE

Rolf Czabayski (Snr)

IGFA Representative

IGFA CHANGES TO WORLD RECORD REQUIREMENTS

Minimum Ratio Requirements

Currently, to submit a line class or tippet class (Fly rod) world record, the only weight requirement is that the fish must weigh at least .45kg (1lb). As a result, the IGFA has accumulated a significant amount of records where the weight of the fish is much lighter than the size of the tackle used to land the fish. In an effort to have IGFA world records better recognise outstanding achievement, the IGFA has established the following minimum ratio requirements for all new line class and tippet class world records:

For line class categories up to and including 10kg (20lb) and all tippet class (fly Rod) categories:

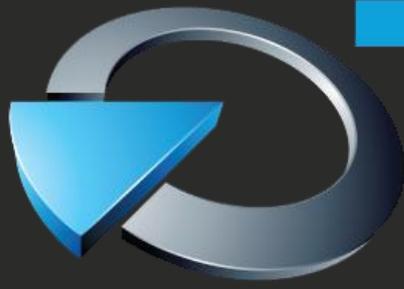

The weight of the catch must weigh at least $\frac{1}{2}$ as much as the line class it is eligible for. For example, a fish entered for the 6kg (12lb) line class or tippet class category must weigh a minimum of 3kg.

For line class categories greater than 10kg (20lb):

The weight of the catch must be equal to, or greater than the line class it is eligible for. For example, a fish entered in the 24kg (50lb) line class category must weigh a minimum of 24kg.

Minimum ratios will not be retroactive and records that currently do not meet the new minimum weight requirements will not be retired. Records listed in the 2017 World Record Book and IGFA website will have a new column that instructs anglers what the minimum weight necessary is to establish a record for each line class.

This change is effective April 1st 2017

IGFA Representative

IGFA CHANGES TO RECOGNISED GAME FISH SPECIES

Eligible Game Fish Species

The IGFA maintains All-Tackle world records for thousands of different species, however only certain game fish species are eligible for the additional line class, tippet class (fly Rod), and Junior Angling world record categories. In an effort to better recognize premier game fish species around the world that merit having line classes, the IGFA will no longer be accepting line class, tippet class (fly rod), and junior Angler records on the 45 species of freshwater and saltwater fish listed below:

Freshwater: Rock Bass, Shoal Bass, White Bass, Yellow Bass, Bluegill, Black Bullhead, Brown Bullhead, Yellow Bullhead, Burbot, White Catfish, Black Crappie, White Crappie, Freshwater Drum, Florida Gar, Shortnose Gar, Spotted Gar, Oscar, European Perch, White Perch, Yellow Perch, Chain Pickerral, red Piranha, Shorthead Redhorse, Silver Redhorse, Sauger, American Shad, Hickory Shad, Splake, Green Sunfish, Redbreast Sunfish, Redear Sunfish, Tench, Warmouth, Lake Whitefish, Mountain Whitefish and Round Whitefish.

Saltwater: Pacific Barracuda, Black Seabass, Japanese Parrotperch, Spotted Parrotperch, Florida Pompano, Doublespotted Queenfish, Black-blue Rockfish, Atlantic Spadefish and Oxeye Tarpon.

This change is effective February 1st 2017

An updated copy of the IGFA International Angling Rules can be found online. For any questions on this, or any rule, please contact IGFA Outreach & education Manager Jack Vitek at jvitek@igfa.org

IGFA UPDATE

Rolf Czabayski (Snr)

IGFA Representative

Hi All,

You may have seen it already in the last IGFA newsletter, the President Rob Kramer of IGFA of 15 years is stepping down from his position at the end of August.

His wife Lara and Rob made the decision that the time is right to leave South Florida to be closer to family and pursue new opportunities. We all wish Rob and his family all the best in his next destination and employment; we certainly will miss him, as he has done in his time in office at IGFA a great job, we wish Rob and his Family all the best in the Future.

IGFA Names Nehl Horton New President

As IGFA's seventh president since its founding in 1939, Horton plans to build on the strong foundation set by the exemplary leadership of Rob Kramer and his legendary predecessors. Horton's immediate focus will be on working with the IGFA Trustees to develop a new long range plan aimed at increasing the organization's connectivity and relevance to anglers, better leveraging its strong network of international representatives and building new revenue streams, while strengthening its commitment to conservation around the world.

You must know IGFA is a non-profit organization, with members from all over the world, many members of Fishing clubs and private individuals have joined IGFA, so if you like to join IGFA please contact Rolf Czabayski IGFA representative for South Australia on 0408364488 .

There are a number of different Memberships for you to choose from.

Junior Angler-----\$20-00 US

Premium Membership-----\$40-00 US

Family Fishing -----\$55-00 US

Lifetime-----\$1500-00

IGFA Annual Fishing Contest Returns!

Catch the biggest fish of each designated species and WIN BIG

The contest is open to all paid IGFA members. All members are automatically eligible to participate in the contest with 222 potential categories (37 fresh and 37 saltwater species) that can be caught on fly or conventional and also features a separate junior category, for **anglers ages 16 and under**. Simply put, the largest fish of each designated species caught

3KG PINS ARE NOW AVAILABLE!

Don't forget... you must weigh your fish on Land to qualify!

PATCHES FOR TAG & RELEASE

GFAA Tag & Release patches are available to anglers who qualify as follows:

- Tag & release of five fish of three separate species, including sharks.
 - Tag & release of 10 fish of five separate species, including sharks.
 - Tag & release of 15 fish of five separate species, including sharks.
- To qualify for the awards, the angler must submit the following:
1. species of fish;
 2. dates of tag & release;
 3. serial numbers of tag and card submitted to NSW State Fisheries; and
 4. cheque for \$11.00 (incl. GST) for issue of patch.
- Applications for Tag & Release patches must be submitted through the angler's club. Note: no certificate will be issued.

PATCHES FOR BILLFISH TAG & RELEASE

GFAA Billfish Tag & Release patches are available to anglers who qualify as follows:

- Tag & release of five billfish.
 - Tag & release of 10 billfish.
- To qualify for the awards, the angler must submit the following:
1. species of fish;
 2. dates of tag & release;
 3. serial numbers of tag and card submitted to NSW State Fisheries; and
 4. cheque for \$11.00 (incl. GST) for issue of patch.
- Applications for Tag & Release patches must be submitted through the angler's club. Note: no certificate will be issued.

MERIT PINS FOR CAPTURE

Merit pins may be awarded to anglers for captures made in Australian waters and recorded in each of the various line classes according to the tables (A & B)

GFAA shall design and control the issue of such Capture merit pins, which shall be engraved with the initials GFAA and be symbolic of the fish for which the award is made.

Club secretaries shall, by the authority of GFAA, order and distribute Capture merit pins to club members who have submitted to them a written application supported by relevant Capture and

Weight Recording Certificates. State branches shall advise GFAA by 15th July each year of the number of each type of Capture merit pin so distributed.

Only one Capture merit pin for each species and for each line class may be issued to any one angler during any single year ending 30th June. It is recommended that Capture merit pins be presented at club annual general meetings, trophy presentation evenings or similar occasions. The cost of the Capture merit pins shall be borne by the angler.

Note to club secretaries: to order Capture merit pins, contact Mackays Jewellers, PO Box 1113, Toowoomba, QLD 4352; Tel/Fax (07) 4630 8737; Mob 0419 709 229.

CAPTURE MERIT AWARD 10 TO 1, 15 TO 1, 20 TO 1

A GFAA certificate is available for any recognised gamefish species. To qualify for the certificate the angler must submit the following:

1. An Australian Record Claim Form stating the club the claim is submitted for (eg 20 to 1); and
2. A cheque for \$27.50 (incl. GST) for the issue of the certificate

1000LB (454.4KG) CLUB

A GFAA award is available for any recognised gamefish species. To qualify for the certificate the angler must submit the following:

1. An Australian Record Claim Form stating the claim is submitted for the 1000lb club
2. A cheque for \$110.00 (incl. GST) for the issue of the cap and certificate
3. Assistance Certificate(s) – awarded to boat crew members for assistance. A cheque for \$27.50 (incl. GST) per certificate –
4. Complete application form on page 51.
5. Boat Plaque will be engraved with the name of the boat, the skipper and fish details as given in the application. A cheque for \$50.00 (incl. GST) for the issue of the boat plaque – complete application form on page 51.
